

The Ergomat Nitro has been specifically designed to offer superior ergonomic and anti-slip properties in the toughest environments. This mat is resistant to oils, many alkaline liquids, acids and hot metal shavings up to 1112°F (600°C). The Nitro mat has a unique profile with peaked cones making it the perfect mat for the food industry as well as for areas where high anti-slip properties are critical.

Unmatched Safety Features

- Molded beveled edges
 - They will never curl up, eliminating tripping hazards
- Any size, any shape mat, always in one piece
 - No overlapping or worn-out connecting mats, also eliminating tripping hazards

Highest Quality

- Virgin raw material only
 - Unbeaten durability and ergonomic benefits
- Silicone & latex-free
- Not only anti-fatigue, but also true ergonomic relief
 - Unique ergonomic design, eliminating and preventing common problems encountered in standing environments, by stimulating the body to increase blood circulation and alertness, reducing sick leaves, workers' compensation and quality issues.

The Nitro Advantage

- Anti-slip cone profile
- Autoclavable
- Withstands 1112°F / 600°C (welding)
- Chemical exposure will not affect the state of the mat; no curling up, swelling, or expanding.
 - No loss of the ergonomic properties and no trip hazard

3-Year Warranty

All Ergomat product lines are conditionally warranted against normal usage* 24 hours a day, 7 days a week. The warranty does not cover damage caused by the mat being dragged or pulled from a heavy load or items being pushed or dragged across the product, such as skids or pallets. The warranty against chemicals, oils, liquids, or other matter differs with the type of mat. Please consult your dealer or an Ergomat Rep to select the correct mat for your environment. The warranty periods starts from the date of purchase. The warranty only covers the replacement of the product, no direct or indirect costs are covered.

* It is considered normal usage when a person stands or walks on the Ergomat with regular footwear.
